Parent or Guardian,

To reduce drop off and pick up traffic, we encourage all families at SCS to carpool if possible. To have your family entered into the carpool database, please complete this form and return it to the School Office. A database of families by zip code is available in the School Office for those interested in establishing a carpool.

Questions may be directed to the School Receptionist at 847-885-3230, Ext. 3020.
