## Schaumburg Christian School complies with AHERA law

SCS complies with the Asbestos Hazard Emergency Response Act (AHERA), a federal law that requires school districts to inspect for asbestos-containing material and file management plans with a designated state agency.

Inspections have not disclosed any Asbestos-Containing Building Material (ACBM) needing immediate attention.

Persons may review SCS's inspection reports as well as the management plan weekdays between 8:00 a.m. and 4:00 p.m. at the Director of Facilities office in the Bethel Baptist Church office complex.

An appointment to review materials or to find out more information about AHERA can be made by calling Drew Whisnant, Director of Facilities, at (847) 944-1284.
