The windows shine bright,
In the morning day light,
As you sip some tea from a cup,
It is time to get up,
And today is no makeup,
So take a break from that time take up,
Take a warm shower and be fresh,
Put on some comfy clothes today,
It is going to be a lazy day,
If you go shopping,
While driving you can jam to music that is
earpopping,
And after some fun,
There comes down the sun,
It was a nice day after all,
But into bed you just fall,
Once you sleep,
You dream a dream,
About some delicious pumpkin cream.
