

July 2023

Dear Parents:

The Fine Arts Department at Schaumburg Christian School is once again offering private and group music lessons for the 2023-2024 school year. Please take a few minutes to review the music offerings for Kindergarten – 12th grade on the Music Lesson Enrollment Form.

To enroll your child in private or group music lesson, simply complete a Music Lesson Enrollment Form online by **August 1, 2023**. Please complete one form per student, per lesson type. Lessons will be taught on a first-come first-serve basis. Students not enrolled by August 1st may be placed on a waiting list. Therefore, it would be to your advantage to enroll early. Please note that previous participation in the SCS private lesson program does not guarantee your student a place for the current year.

Schaumburg Christian School participates in the following organizations:

- Illinois Association of Christian Schools
- American Association of Christian Schools
- American College of Musicians Piano Guild

We hope these opportunities will enhance the training of each student. Skilled musicians are those who study music seriously and benefit from their participation in private music lessons. Private lessons should be strongly considered by those who want to participate in the various ensembles and performing groups.

Thank you for your continued support of the Fine Arts Department at Schaumburg Christian School.

Sincerely,

Timothy H. White
Fine Arts Director
